

Strategic Leadership Team

Purpose

To contribute towards the strategic leadership and development of the Service; assessing the need for future policy development arising from an analysis of external influences e.g. political, economic, socio-cultural, technological, environmental and legal perspectives, which are likely to have a medium to longer term impact upon the work of WYFRS.

To agree priorities for future Service policy development.

To approve new/ revised corporate level strategies for implementation.

To periodically review and update as necessary all corporate level plans, including the annual budget for subsequent WYFRA approval/endorsement.

To review performance monthly and quarterly against relevant Performance Indicators and overall progress with the CRMP/Strategic Action Plan.

To monitor expenditure and where necessary, take appropriate action with regard to exception reports arising from the current year's revenue and capital spending plans.

To review service level risk exposures and update the Strategic Risk Assessment through the Risk Management Strategy Group.

- Provide a safe, effective and resilient response to local and national emergencies.
- Focus our activities on reducing risk and vulnerability.
- Enhance the health, safety, and well-being of our people.
- Prioritise a people first mindset through ethical and professional leadership and management.
- Work with partners and communities to deliver our services.
- Use resources in an innovative, sustainable, and efficient manner to maximise value for money.
- Further develop a culture of excellence, equality, learning, and inclusion.
