BUY SAFE.

CHARGE SAFE.

DISPOSE SAFE.

BUY: UK-based retailers; original batteries/chargers; avoid conversion kits.

CHARGE: not on escape routes; hard, flat, non-combustible surface; never overnight/unattended.

STORE: cool, dry, ventilated; away from heat/sun; not on the charger.

USE: follow instructions; don't modify; correct charger/cable only.

DISPOSE: never bin; recycle via council/retailer; isolate if damaged and seek advice.

EMERGENCY: battery hot/smoking/chemical smell? Get out, call 999.
